Dear Parent

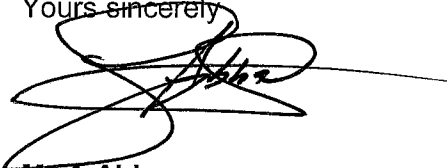

Extra-Curricular Activities and Fundraising

Please find attached a list of the extra-curricular activities available to your daughter this year. As you will see, your daughter has the opportunity to become involved with a wide range of activities during her lunchtimes and after school. Taking part in such an activity can open many opportunities, help build your daughter's confidence and will make her feel welcome as a member of our wider community at school.

I would also like to highlight our wider school fundraising initiative this year. We will be supporting 'Horizon Sports Club' (<http://www.horizonsc.org.uk/>) as our main charity of the year. We are hoping to raise a grand total of £15,000 over the course of the year. Part of this money will be raised through non-uniform days at the end of each term, but we are hoping that all our students will be actively involved with fundraising activities during lunchtimes. Last year we raised £7,500 for the Vine Trust to build a Night Shelter for street children in Iquitos, Peru. In total the girls helped raise over £18,000 over the course of the year! This was a tremendous achievement, over the course of the previous 2 years we have raised over £31,000 for various charities. We are hoping to build on these successes further and your daughter can find further information about how to fundraise on the school's VLE Moodle webpage (<http://whs.moodleo.co.uk/>) under 'Student Fundraising'.

I do hope you have found this information useful, and hope that you will encourage your daughter to become involved with the variety of activities that the school has to offer.

Yours sincerely

Mr A Abbas
Student Development Leader
