Dear Parent

February Half Term Grades

Your daughter's February half term report will be posted on our on-line reporting system today. As a result of your feedback and a recent upgrade to the system, these are now in the same format as the hard copies you received previously. Please be aware that for the first day or two, the system will be busy and it may take a little while to get logged on.

To access your daughter's report you should:

- log in to the on-line reporting system as normal <https://slg.bucksgfl.org.uk>
- click on the *Wycombe High School* button at the top left of the screen
- click on *My Children Dashboard*
- scroll down and click on *View Reports* at the bottom left hand side of the page
- click on *Academic Year 2011/12*
- click on *Half Term Report February*
- click on *Open*

Research has shown that frequent dialogue between a student and her parent(s) is one of the most significant factors in raising achievement. Do please discuss the report with your daughter and ensure that she transfers the grade information onto the relevant page in her planner/enrichment booklet. This will also help inform personal tutoring sessions when your daughter's tutor discusses her academic progress and achievements with her.

If you feel the need to refresh your memory about the on-line reporting system, you should follow this link in the first instance: <http://www.whs.bucks.sch.uk/parents/reporting>. If you have further queries about the on-line system, please email the on-line reporting help desk at the following address: slg@whs.bucks.sch.uk. Please use this email address rather than the main school email to ensure a quick and efficient response.

If you have any queries or concerns about your daughter's report, please contact her Form Tutor in the first instance.

Yours sincerely

Mrs Marjorie Lally
Assistant Headteacher
