

18 October 2011

Dear Parent

Year 7 October Half Term Report

On Tuesday 18 October, your daughter will bring home her first half term report in hard copy. In this report we are reporting only a commitment grade for each subject, as we are still getting to know your daughter. You will find an explanation of what the different commitment grades mean on the back of the report.

In the December half term report, we will be issuing Key Stage 3 targets as well as progress and working at grades. A full explanation of these will be given at that time. Please note that from December, we intend to issue all half term reports via the on-line reporting system and not in hard copy.

On-line Reporting

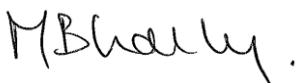

Your daughter will also bring home your 'on-line reporting pack'. Enclosed in this pack is an instruction book; you will find your user name on the front cover. You will then receive your password in a sealed envelope which your daughter will bring home later this week. You will need both your user name and password to log in to our on-line reporting system. We think the instructions are self explanatory however, should you encounter any difficulty or would like advice or support on using this system, please contact our on-line reporting helpdesk at slq@whs.bucks.sch.uk

You do need to note that the password cannot be changed at this stage however over time we expect updates and improvements to the system. If you already have a daughter in Year 8 or above, you should already have received your pack last year.

I hope you find on-line reporting useful as another tool to help you engage with your daughter about her life at Wycombe High School, both in and out of the classroom.

If you require any further information, please contact your daughter's Form Tutor in the first instance.

Yours sincerely

Mrs Marjorie Lally
Assistant Headteacher
