Wycombe High School statement - 16 to 19 tuition fund (2021-2022)

The funding for the 2021-2022 academic year is intended to mitigate the disruption to learning arising from the COVID-19 pandemic. Wycombe High School is using the funding to support one-to-one online tuition for students in Key Stage 5 in Maths, English, Biology, Chemistry, Physics, History, Geography and Spanish. Young people who have Special Educational Needs and Disabilities (SEND), are Disadvantaged or who have a EHC will be prioritised for this provision.

Students will be identified through current assessment data and prioritised for tutoring.

The tutoring will be done by subject specific tutors that Wycombe High School have trained and employed. Each student who is identified as needing support will be given 15 hours of tutoring in the subject/s where learning gaps have been identified.
